Attachments: EPA FDEP MOA Briefing.docx

Good morning,

Forwarding to you talking points R4 developed and provided to Jeanneanne for today's meeting at 3 pm with Dave Ross, Mary Walker and David Fatouhi. The attachment and bullets below will be Jeanneanne's talking points for the agenda already posted to the meeting invite. These were crafted based upon R4, OGC and my conversations yesterday as well as our discussion with FDEP and FDOT yesterday evening.

There will NOT be a separate issue paper developed for today's meeting. These talking points will NOT be shared with Sr. Management in writing.

If Jeanneanne has any revisions to the talking points, R4 will share those with me and I'll share them with you. Sorry for the confusion.

- Kathy

Attached is a draft briefing paper for the 2nd topic, as that's where we understand we want to focus our time. Below are some draft talking points for your
